

Consolidated Responses to Pre-bid Queries

Catalytic Support for the Effective Implementation of the National Animal Disease Control Programme (NADCP) in Rajasthan

S.No	Questions / Clarification sought	Response of TIFA
1.	Which are the preferred districts?	No district or districts have been determined at this time. An intervention district will be finalised during the co-design period in consultation with State Animal Husbandry Officials
2.	Current coverage of vaccination in those districts.	Applicants may present any relevant data needed to justify their proposed approach in their response.
